Good morning:

In reviewing the documents produced in Respondent's Response to Request for Production # 3 in the second of two emails sent, I saw there was privileged information that inadvertently was not redacted. This attorney-client privileged information pertained not only to this litigation, but also to information beyond the scope and subject matter of this litigation. Please see the attached *redacted* RFP # 3 (2 of 2) and please delete the email sent 04/09/2018 at 9:43 a.m. EST.

This inadvertent production does not waive the attorney-client privilege that exists between counsel for the ISDH and its clients. I appreciate your attention to this matter.

That's correct. As additional documents are generated, the ISDH will produce those, as well. Sorry about the confusion from the bounced back emails.

Dear Adrienne and Bart,

WWHA would like to amend the clinic administrator listed on its Application. Specifically, WWHHA would like to substitute Sharon Lau for Liam Morley. Could we do this on behalf of WWHHA by sending an email to you or is there a more formal process that WWHHA would need to follow? Please let us know if you prefer to discuss by phone.

Thanks very much.

Jerome M. Adams, MD, MPH
State Health Commissioner
Indiana State Department of Health
2 North Meridian Street
Indianapolis, Indiana 46204

Dear Dr. Adams,

Whole Woman's Health Alliance, a 501c3 nonprofit organization is submitting an abortion clinic licensing application to the Indiana State Department of Health ("ISDH") for a clinic to be located at 3511 Lincoln Way West, South Bend, Indiana 46628. Our clinic on Lincoln Way West will not provide surgical abortions, but rather will only offer women the option of a non-surgical (medication) abortion using the medication mifepristone.

Ind. Code 16-21-1-9 states that the State Health Commissioner may grant a waiver of a rule for good cause shown, and if the granting of the waiver "will not adversely affect or increase any risk to the health, safety or welfare of existing or potential residents or patients". In connection therewith, and pursuant to IC 16-21-1-9, Whole Woman's Health South Bend requests a waiver of certain abortion licensing requirements itemized below; we respectfully submit that the waiver should be granted, as it will not adversely affect or increase any risk to the health, safety or welfare of existing or potential residents or patients. We also respectfully note that Planned Parenthood of Indiana and Kentucky has previously received a waiver of each of the requirements listed below from the State Health Commissioner for its clinic in Lafayette, based on the same rationale explained below.

As stated above, we will not offer surgical abortions, only non-surgical (medication) abortions, in compliance with all applicable Indiana regulations including the waiting period. Our patients will come to our clinic, take the medication in the presence of a physician, and then leave the clinic shortly after. Another medication is taken by the patient at home, one to two days later, after which the patient is scheduled for a follow up appointment to confirm that the pregnancy is terminated. As there is no surgery, or any procedure at all, performed in connection with a medication abortion, the waiver of the rules itemized below will have no adverse effect or increase in risk to the health, safety or welfare of our patients.

We respectfully request that the State Health Commissioner waive the following rules:

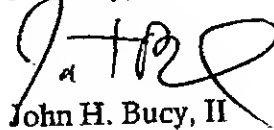

<u>RULE</u>	<u>RATIONALE</u>
410 IAC 26-10-1(b)(5): Observation during Recovery Period	There is no recovery period necessary in the provisions of a non-surgical abortion, since there is no surgery from which to recover.
410 IAC 26-11-2(a): Sterilization of Equipment and Supplies 410 IAC 26-11-3 Laundry	Non-surgical abortions will be performed by medication, not surgery; no sterile equipment or supplies are required in order to give patient an oral medication. The clinic will use disposable linens and therefore there is no need for the laundry processing requirements to apply.
410 IAC 26-13-1 Anesthesia	No anesthesia is used and therefore there is no need for the listed anesthesia services.
410 IAC 26-13-3(b) and (c) Anesthesia and Surgical Services: emergency equipment and supplies	There is no procedure performed and no procedure room; there is no recovery needed and no recovery room. Therefore, there is no need for the itemized emergency supplies.
410 IAC 26-17-2(c)(3): Toilet Room	The clinic does not have a separate restroom (toilet and hand washing station) in the waiting room. However, there is a patient restroom (toilet and hand washing station) that will also be available to visitors in the waiting room.
410 IAC 26-17-2(c)(4) Drinking Fountain	The clinic does not have a water fountain. However, we will provide a water cooler and/or bottled water to patients and visitors.
410 IAC 26-17-2(d)(1) Physical Plant Standards: procedure room size and traffic flow	As noted above, there is no procedure performed and no procedure room used for a non-surgical abortion. Medications may be dispensed in an examination room, which may be less than 120

Mr. Adams

	square feet. There is no need for procedure rooms to be segregated/ removal from traffic flow as there are no such rooms.
410 IAC 26-17-2(d)(2) Hand Washing Station in Procedure Room	As noted above, there are no procedure rooms. Hand washing stations are available in the patient restroom.
410 IAC 26-17-2(d)(3) Scrub Facilities	As noted above, there are no procedures performed for non-surgical abortions, and no procedure rooms. Therefore, scrub facilities are not required near procedure rooms.
410 IAC 26-17-2(d)(4) Recovery Area/ Rooms	As noted above, there is no procedure performed in a non-surgical abortion and therefore no need for a recovery area or recovery rooms.
410 IAC 26-17-2(d)(6) Toilets	As described above, there is a patient restroom (toilet and hand washing facilities) in the clinic area, available for use by patients as well as visitors in the waiting area.

We appreciate your timely consideration of our request, and we await your response. If you have any questions, please do not hesitate to contact me at (512) 291-6505 or john@johnbucy.com.

RE: Whole Woman's Advocacy Alliance

It has been our pleasure to file the certificate of formation and issue the enclosed certificate of filing evidencing the existence of the newly created nonprofit corporation.

Nonprofit corporations do not automatically qualify for an exemption from federal and state taxes. Shortly, the Comptroller of Public Accounts will be contacting the corporation at its registered office for information that will assist the Comptroller in setting up the franchise tax account for the corporation. Information about franchise tax, and contact information for the Comptroller's office, is available on their web site at <http://window.state.tx.us/taxinfo/franchise/index.html>. For information on state tax exemption, including applications and publications, visit the Comptroller's Exempt Organizations web site at <http://window.state.tx.us/taxinfo/exempt/index.html>. Information on exemption from federal taxes is available from the Internal Revenue Service web site at www.irs.gov.

Nonprofit corporations do not file annual reports with the Secretary of State, but do file a report not more often than once every four years as requested by the Secretary. It is important for the corporation to continuously maintain a registered agent and office in Texas as this is the address to which the Secretary of State will send a request to file a periodic report. Failure to maintain a registered agent or office in Texas, failure to file a change to the agent or office information, or failure to file a report when requested may result in the involuntary termination of the corporation. Additionally, a nonprofit corporation will file documents with the Secretary of State if the corporation needs to amend one of the provisions in its certificate of formation. If we can be of further service at any time, please let us know.

PREAMBLE

These hylaws (the "Bylaws") are subject to, and governed hy, the Texas Business Corporation Act and the Articles of Incorporation of Whole Woman's Advocacy Alliance (the "Corporation"). In the event of a direct conflict between the provisions of these Bylaws and the mandatory provisions of the Texas Business Corporation Act or the provisions of the Articles of Incorporation of the Corporation, such provisions of the Texas Business Corporation Act or the Articles of Incorporation of the Corporation, as the case may he, will be controlling.

ARTICLE ONE: OFFICES

1.01. REGISTERED OFFICE AND AGENT. The registered office and registered agent of the Corporation shall be as designated from time to time by the appropriate filing by the Corporation in the Office of the Secretary of State of Texas.

1.02. OTHER OFFICES. The Corporation may also have offices at such other places, both within and without the State of Texas, as the Board of Directors may from time to time determine or the business of the Corporation may require.

ARTICLE TWO: BOARD OF DIRECTORS

2.01. MANAGEMENT. The business and property of the Corporation shall be managed hy the Board of Directors, and subject to the restrictions imposed by law, the Certificate of Formation, or these Bylaws, the Board of Directors may exercise all the powers of the Corporation.

2.02. NUMBER; ELECTION; TERM; QUALIFICATION. The number of Directors will be three, or a numner determined hy the Board that is not less than three. Each director will serve for a term of three years, or until a successor is duly elected and qualified.

2.03. NOMINATING DIRECTORS. At any meeting at which the election of a director is held, a director may nominate a person with the second of any other director.

2.04. ELECTING DIRECTORS. A person who meets the qualifications for director and who has heen duly nominated may he elected as a director. Directors will he elected hy the vote of the Board of the Corporation. A director may he elected to succeed himself or herself as director.

2.05. VACANCIES. The Board will fill any vacancy in the Board and any director position to he filled due to an increase in the number of directors. A vacancy is filled hy the affirmative vote of a majority of the remaining directors, even if it is less than a quorum of the

Board, or if it is a sole remaining director. A director selected to fill a vacancy will serve for the unexpired term of his or her predecessor in office.

2.06. ANNUAL MEETING. The annual meeting of the Board shall be held during each calendar year on such date and at such time as shall be designated from time to time by the Board and stated in the notice of the meeting, if not a legal holiday in the place where the meeting is to be held, and, if a legal holiday in such place, then on the next business day following, at the time specified in the notice of the meeting may be held without notice other than as provided for in these Bylaws.

2.07. REGULAR MEETINGS. The Board may provide for regular meetings by resolution stating the time and place of such meetings. The meetings may be held inside or outside Texas, and will be held at the Corporation's registered office in Texas if the resolution does not specify the location of the meetings. No notice of regular Board meetings is required other than a Board resolution stating the time and place of the meetings.

2.08. SPECIAL MEETINGS. Special Board meetings may be called by, or at the request of, the president or any two directors. A person or persons authorized to call special meetings of the Board may fix any place within or without Texas as the place for holding a special meeting. The person or persons calling a special meeting will inform the secretary of the corporation of the information to be included in the notice of the meeting. The secretary of the Corporation will give notice to the directors as these Bylaws require.

2.09. NOTICE. Written or printed notice of any special meeting of the Board will be delivered to each director not less than seven (7), nor more than thirty (30) days before the date of the meeting. The notice will state the place, day, and time of the meeting; who called the meeting and the purpose or purposes for which it is called.

2.10. QUORUM. A majority of the number of directors then in office constitutes a quorum for transacting business at any Board meeting. The directors present at a duly called or held meeting at which a quorum is present may continue to transact business even if enough directors leave the meeting so that less than a quorum remains. However, no action may be approved without the vote of at least a majority of the number of directors required for a quorum. If a quorum is never present at any time during a meeting, a majority of the directors present may adjourn and reconvene the meeting once without further notice.

2.11. DUTIES OF DIRECTORS. Directors will discharge their duties, including any duties as committee members, in good faith, with ordinary care, and in a manner they reasonably believe to be in the Corporation's best interest. In this context, the term "ordinary care" means the care that ordinarily prudent persons in similar positions would exercise under similar circumstances. In discharging any duty imposed or power conferred on directors, directors may, in good faith, rely on information, opinions, reports, or statements, including financial statements and other financial data, concerning the Corporation or another person that has been prepared or presented by a variety of persons, including officers and employees of the Corporation, professional advisors or experts such as accountants or legal counsel. A director is not relying in good faith if he or she has knowledge concerning a matter in question that renders reliance

unwarranted. Directors are not deemed to have the duties of trustees of a trust with respect to the Corporation or with respect to any property held or administered by the Corporation, including property that may be subject to restrictions imposed by the donor or transferor of the property.

2.12. DUTY TO AVOID IMPROPER DISTRIBUTIONS. Directors who vote for or assent to improper distributions are jointly and severally liable to the Corporation for the value of improperly distributed assets, to the extent that, as a result of the improper distribution or distributions, the corporation lacks sufficient assets to pay its debts, obligations, and liabilities. Any distribution made when the Corporation is insolvent, other than in payment of corporate debts, or any distribution that would render the Corporation insolvent, is an improper distribution. A distribution made during liquidation without payment and discharge of or provision for payment and discharge of all known debts, obligations, and liabilities is also improper. Directors present at a Board meeting at which the improper action is taken are presumed to have assented, unless they dissent in writing. The written dissent must be filed with the secretary of the Corporation before adjournment of the meeting in question or mailed to the secretary by registered mail immediately after adjournment. A director is not liable if, in voting for or assenting to a distribution, the director (1) relies in good faith and with ordinary care on information, opinions, reports, or statements, including financial statements and other financial data, prepared or presented by one or more officers or employees of the Corporation; legal counsel, public accountants, or other persons as to matters the director reasonably believes are within the person's professional or expert competence; or a committee of the Board of which the director is not a member; (2) while acting in good faith and with ordinary care, considers the Corporation's assets to be at least that of their book value; or (3) in determining whether the Corporation made adequate provision for paying, satisfying, or discharging all of its liabilities and obligations, relied in good faith and with ordinary care on financial statements or other information concerning a person who was or became contractually obligated to satisfy or discharge some or all of these liabilities or obligations. Furthermore, directors are protected from liability if, in exercising ordinary care, they acted in good faith and in reliance on the written opinion of an attorney for the Corporation. Directors held liable for an improper distribution are entitled to contribution from persons who accepted or received the improper distributions knowing they were improper. Contribution is in proportion to the amount received by each such person.

2.13. DELEGATION DUTIES. Directors may select advisors and delegate duties and responsibilities to them, such as the full power to buy or otherwise acquire stocks, bonds, securities, and other investments on the Corporation's behalf; and to sell, transfer, or otherwise dispose of the Corporation's assets and properties at a time and for a consideration that the advisor deems appropriate. The directors have no liability for actions taken or omitted by the advisor if the Board acts in good faith and with ordinary care in selecting the advisor. The Board may remove or replace the advisor at any time and without any cause whatsoever.

2.14. INTERESTED DIRECTORS. Contracts or transactions between directors, officers, or members who have a financial interest in the matter are not void or voidable solely for that reason. Nor are they void or voidable solely because the director, officer, or member is present at or participates in the meeting that authorizes the contract or transaction, or solely because the interested party's votes are counted for the purpose. However, every director with any personal

interest in the transaction must disclose all material facts concerning the transaction, including all potential personal benefit and potential conflicts of interest, to the other members of the Board or other group authorizing the transaction. The transaction must be approved by a majority of the uninterested directors or other group with the authority to authorize the transaction.

2.15. ACTIONS OF BOARD OF DIRECTORS. The Board will try to act by consensus. However, if a consensus is not available, the vote of a majority of directors present and voting at a meeting at which a quorum is present is enough to constitute the act of the Board, unless the act of a greater number is required by law or by some other provision of these Bylaws. A director who is present at a meeting and abstains from a vote is considered to be present and voting for the purpose of determining the Board's decision. For the purpose of determining the decision of the Board, a director who is represented by proxy in a vote is considered present.

2.16. PROXIES. A director may vote by proxy. All proxies must be in writing, must bear the signature of the director giving the proxy, and must bear the date on which the proxy was executed by the director. No proxy is valid after three (3) months from the date of its execution.

2.17. COMPENSATION. Directors may receive salaries for their services. The Board may adopt a resolution providing for paying directors a fixed sum and expenses of attendance, if any, for attending each Board meeting. A director may serve the Corporation in any other capacity and receive compensation for those services. Any compensation that the Corporation pays to a director will be reasonable and commensurate with the services performed.

2.18. REMOVING DIRECTORS. The Board may vote to remove a director at any time, without cause. A meeting to consider removing a director may be called and noticed following the procedures provided in these Bylaws for a special meeting of the Board of Directors. The notice of the meeting will state that the issue of possibly removing the director will be on the agenda. At the meeting, the director may present evidence of why he or she should not be removed and may be represented by an attorney at and before the meeting. Also, at the meeting, the Corporation will consider possible arrangements for resolving the problems that are in the mutual interest of the Corporation and the director. A director may be removed by the affirmative vote of three-fourths of the Board.

ARTICLE THREE: OFFICERS AND OTHER AGENTS

3.01. OFFICER POSITIONS. The Corporation's officers will be a president, a secretary, and a treasurer. The Board may create additional officer positions, define the authority and duties of each such position, and elect or appoint persons to fill the positions. The same person may hold any two or more offices, except for president and secretary.

3.02. ELECTION AND TERM OF OFFICE. The Corporation's officers will be appointed annually by the Board at the annual Board meeting. If officers are not appointed at this time, they will be appointed as soon thereafter as possible. Each officer will hold office until a successor is duly selected and qualifies. An officer may be appointed to succeed himself or herself in the same office.

3.03. REMOVAL. Any officer elected or appointed by the Board may be removed by the Board with or without cause. Removing an officer will be without prejudice to the officer's contractual rights, if any.

3.04. VACANCIES. The Board may select a person to fill a vacancy in any office for the unexpired portion of the officer's term.

3.05. PRESIDENT. The president shall be the chief executive officer of the Corporation and, subject to the supervision of the Board of Directors, shall have general management and control of the business and property of the Corporation in the ordinary course of its business with all such powers with respect to such general management and control as may be reasonably incident to such responsibilities, including, but not limited to, the power to employ, discharge, or suspend employees and agents of the Corporation, to fix the compensation of employees and agents, and to suspend, with or without cause, any officer of the Corporation pending final action by the Board of Directors with respect to continued suspension, removal, or reinstatement of such officer. The President may, without limitation, agree upon and execute all division and transfer orders, bonds, contracts, and other obligations in the name of the Corporation.

3.06. TREASURER. The Treasurer shall have custody of the Corporation's funds and securities, shall keep full and accurate accounts of receipts and disbursements, and shall deposit all moneys and valuable effects in the name and to the credit of the Corporation in such depository or depositories as may be designated by the Board of Directors. The Treasurer shall audit all payrolls and vouchers of the Corporation, receive, audit, and consolidate all operating and financial statements of the Corporation and its various departments, shall supervise the accounting and auditing practices of the Corporation, and shall have charge of matters relating to taxation. Additionally, the Treasurer shall have the power to endorse for deposit, collection, or otherwise all checks, drafts, notes, bills of exchange, and other commercial paper payable to the Corporation and to give proper receipts and discharges for all payments to the Corporation. The Treasurer shall perform such other duties as may be prescribed by the Board of Directors or as may be delegated from time to time by the President.

3.07. SECRETARY. The Secretary shall maintain minutes of all meetings of the Board of Directors and of the Shareholders or consents in lieu of such minutes in the Corporation's minute books, and shall cause notice of such meetings to be given when requested by any person authorized to call such meetings. The Secretary may sign with the President, in the name of the Corporation, all contracts of the Corporation. The Secretary shall have charge of the certificate books, stock transfer books, stock ledgers, and such other stock books and papers as the Board of Directors may direct, all of which shall at all reasonable times be open to inspection by any Director at the office of the Corporation during business hours. The Secretary shall perform such other duties as may be prescribed by the Board of Directors or as may be delegated from time to time by the President.

ARTICLE FOUR: COMMITTEES

4.01. ESTABLISHING COMMITTEES. The Board may adopt a resolution establishing one or more committees delegating specified authority to a committee, and appointing or removing members of a committee. A committee will include two or more directors and may include persons who are not directors. If the Board delegates any of its management authority to a committee, the majority of the committee will consist of directors. The Board may also delegate to the president its power to appoint and remove members of a committee that has not been delegated any management authority of the Board. The Board may establish qualifications for membership on a committee. Establishing a committee or delegating authority to it will not relieve the Board, or any individual director, of any responsibility imposed by these Bylaws or otherwise imposed by law. No committee has the authority of the Board to:

- (a) Amend the Certificate of Formation.
- (b) Adopt a plan of merger or of consolidation with another corporation.
- (c) Authorize the sale, lease, exchange, or mortgage of all or substantially all of the Corporation's property and assets.
- (d) Authorize voluntary dissolution of the Corporation.
- (e) Revoke proceedings for voluntary dissolution of the Corporation.
- (f) Adopt a plan for distributing the Corporation's assets.
- (g) Amend, alter, or repeal these Bylaws.
- (h) Elect, appoint, or remove a member of a committee or a director or officer of the Corporation.
- (i) Approve any transaction to which the Corporation is a party and that involves a potential conflict of interest as defined in paragraph 7.04, below.
- (j) Take any action outside the scope of authority delegated to it by the Board.

4.02. TERM OF OFFICE. Each committee member will continue to serve on the committee until the next annual members' meeting and until a successor is appointed. However, a committee member's term may terminate earlier if the committee is terminated, or if the member dies, ceases to qualify, resigns, or is removed as a member. A vacancy on a committee may be filled by an appointment made in the same manner as an original appointment. A person appointed to fill a vacancy on a committee will serve for the unexpired portion of the terminated committee member's term.

4.03. CHAIR AND VICE-CHAIR. One member of each committee will be designated as the committee chair, and another member of each committee will be designated as the vice-chair.

The chair and vice-chair will be elected by the committee members or appointed by the president. The chair will call and preside at all meetings of the committee. When the chair is absent, cannot act, or refuses to act, the vice-chair will perform the chair's duties. When a vice-chair acts for the chair, the vice-chair has all the powers of, and is subject to all the restrictions on the chair.

4.04. NOTICE OF MEETINGS. Written or printed notice of a committee meeting will be delivered to each member of a committee not less than seven nor more than 30 days before the date of the meeting. The notice will state the place, day, and time of the meeting, and the purpose or purposes for which it is called.

4.05. QUORUM. One-half of the number of committee members constitutes a quorum for transacting business at any meeting of the committee. The committee members present at a duly called or held meeting at which a quorum is present may continue to transact business even if enough committee members leave the meeting so that less than a quorum remains. However, no action may be approved without the vote of at least a majority of the number of committee members required for a quorum. If a quorum is never present at any time during a meeting, the chair may adjourn and reconvene the meeting once without further notice.

4.06. ACTIONS OF COMMITTEES. Committees will try to take action by consensus. However, if a consensus is not available, the vote of a majority of committee members present and voting at a meeting at which a quorum is present is enough to constitute the act of the committee unless the act of a greater number is required by statute or by some other provision of these Bylaws. A committee member who is present at a meeting and abstains from a vote is considered to be present and voting for the purpose of determining the act of the committee.

4.07. PROXIES. A committee member may not vote by proxy.

4.08. COMPENSATION. Committee members may receive salaries for their services. The Board may adopt a resolution providing for paying committee members a fixed sum and expenses of attendance, if any, for attending each meeting of the committee. A committee member may serve the Corporation in any other capacity and receive compensation for those services. Any compensation that the Corporation pays to a committee member will be reasonable and commensurate with the services performed.

4.09. RULES. Each committee may adopt its own rules, consistent with these Bylaws or with other rules that may be adopted by the Board.

ARTICLE FIVE: TRANSACTIONS OF CORPORATION

5.01. CONTRACTS. The Board may authorize any officer or agent of the Corporation to enter into a contract or execute and deliver any instrument in the name of, and on behalf of, the Corporation. This authority may be limited to a specific contract or instrument, or it may extend to any number and type of possible contracts and instruments.

5.02. DEPOSITS. All the Corporation's funds will be deposited to the credit of the Corporation in banks, trust companies, or other depositories that the Board selects.

5.03. GIFTS. The Board may accept, on the Corporation's behalf, any contribution, gift, bequest, or devise for the general purposes or for any special purpose of the Corporation. The Board may make gifts and give charitable contributions not prohibited by these Bylaws, the Certificate of Formation, state law, and provisions set out in federal tax law that must be complied with to maintain the Corporation's federal and state tax status.

5.04. POTENTIAL CONFLICTS OF INTEREST. The Corporation may not make any loan to a director or officer of the Corporation. A director, officer, or committee member of the Corporation may lend money to, and otherwise transact business with, the Corporation except as otherwise provided by these Bylaws, the Certificate of Formation, and applicable law. Such a person transacting business with the Corporation has the same rights and obligations relating to those matters as other persons transacting business with the Corporation. The Corporation may not borrow money from, or otherwise transact business with a director, officer, or committee member of the Corporation unless the transaction is described fully in a legally binding instrument and is in the Corporation's best interests. The Corporation may not borrow money from or otherwise transact business with a director, officer, or committee member of the Corporation without full disclosure of all relevant facts and without the Board's approval, not including the vote of any person having a personal interest in the transaction.

5.05. PROHIBITED ACTS. As long as the Corporation exists, and except with the Board's prior approval, no director, officer, or committee member of the Corporation may:

(a) Do any act in violation of these Bylaws or a binding obligation of the Corporation.

(b) Do any act with the intention of harming the Corporation or any of its operations.

(c) Do any act that would make it impossible or unnecessarily difficult to carry on the Corporation's intended or ordinary business.

(d) Receive an improper personal benefit from the operation of the Corporation.

(e) Use the Corporation's assets, directly or indirectly, for any purpose other than carrying on the Corporation's business.

(f) Wrongfully transfer or dispose of Corporation property, including intangible property such as good will.

(g) Use the Corporation's name (or any substantially similar name) or any trademark or trade name adopted by the Corporation, except on behalf of the Corporation in the ordinary course of its business.

(h) Disclose any of the Corporation's business practices, trade secrets, or any other information not generally known to the business community to any person not authorized to receive it.

ARTICLE SIX: BOOKS AND RECORDS

6.01. REQUIRED BOOKS AND RECORDS. The Corporation will keep correct and complete books and records of account. The books and records include:

(a) A file-endorsed copy of all documents filed with the Texas Secretary of State relating to the Corporation, including but not limited to the Certificate of Formation, and any articles of amendment, restated articles, articles of merger, articles of consolidation, and statement of change of registered office or registered agent.

(b) A copy of all bylaws, including these Bylaws, and any amended versions or amendments to them.

(c) Minutes of the proceedings of the Board, and committees having any of the authority of the Board.

(d) A list of the names and addresses of the directors, officers, and any committee members of the Corporation.

(e) A financial statement showing the Corporation's assets, liabilities, and net worth at the end of the three most recent fiscal years.

(f) A financial statement showing the Corporation's income and expenses for the three most recent fiscal years.

(g) All rulings, letters, and other documents relating to the Corporation's federal, state, and local tax status.

(h) The Corporation's federal, state, and local tax information or income-tax returns for each of the Corporation's three most recent tax years.

6.02. INSPECTION AND COPY. Any director, officer, or committee member of the Corporation may inspect and receive copies of all the corporate books and records required to be kept under the bylaws. Such a person may, by written request, inspect or receive copies if he or she has a proper purpose related to his or her interest in the Corporation. He or she may do so through his or her attorney or other duly authorized representative. The inspection may take place at a reasonable time, no later than five working days after the Corporation receives a proper written request. The Board may establish reasonable copying fees, which may cover the cost of materials and labor but may not exceed fifty (50) cents per page. The Corporation will

provide requested copies of books or records no later than five working days after receiving a proper written request.

ARTICLE SEVEN: FISCAL YEAR

The fiscal year of the Corporation will begin on the first day of January and end on the last day in December in each year.

ARTICLE EIGHT: INDEMNIFICATION

8.01. WHEN INDEMNIFICATION IS REQUIRED, PERMITTED AND PROHIBITED.

(a) The Corporation will indemnify a director, officer, member, committee member, employee, or agent of the Corporation who was, is, or may be named as a defendant or respondent in any proceeding as a result of his or her actions or omissions within the scope of his or her official capacity in the Corporation. For the purposes of this article, an agent includes one who is or was serving at the Corporation's request as a director, officer, partner, venturer, proprietor, trustee, partnership, joint venture, sole proprietorship, trust, employee-benefit plan, or other enterprise.

(b) The Corporation will indemnify a person only if he or she acted in good faith and reasonably believed that his or her conduct was in the Corporation's best interests. In case of a criminal proceeding, the person may be indemnified only if he or she had no reasonable cause to believe that the conduct was unlawful. The Corporation will not indemnify a person who is found liable to the Corporation or is found liable to another on the basis of improperly receiving a personal benefit from the Corporation. A person is conclusively considered to have been found liable in relation to any claim, issue, or matter if the person has been adjudged liable by a court of competent jurisdiction and all appeals have been exhausted. Termination of a proceeding by judgment, order, settlement, conviction, or on a plea of nolo contendere or its equivalent does not necessarily preclude indemnification by the Corporation.

(c) The Corporation will pay or reimburse expenses incurred by a director, officer, committee member, employee, or agent of the Corporation in connection with the person's appearance as a witness or other participation in a proceeding involving or affecting the Corporation when the person is not a named defendant or respondent in the proceeding.

(d) In addition to the situations otherwise described in this paragraph, the Corporation may indemnify a director, officer, committee member, employee, or agent of the Corporation to the extent permitted by law. However, the Corporation will not indemnify any person in any situation in which indemnification is prohibited by paragraph 8.01(a), above.

(e) The corporation may advance expenses incurred or to be incurred in the defense of a proceeding to a person who might eventually be entitled to indemnification, even though there has been no final disposition of the proceeding. Advancement of expenses may occur only when the procedural conditions specified in paragraph 8.03(c), below, have been satisfied. Furthermore, the Corporation will never advance expenses to a person before final disposition of a proceeding if the person is a named defendant or respondent in any proceeding brought by the Corporation or if the person is alleged to have improperly received a personal benefit or committed other willful or intentional misconduct.

8.02. EXTENT AND NATURE OF INDEMNITY. The indemnity permitted under these Bylaws includes indemnity against judgments, penalties, (including excise and similar taxes), fines, settlements, and reasonable expenses (including attorney's fees) actually incurred in connection with the proceeding. If the proceeding was brought by or on behalf of the Corporation, the indemnification is limited to reasonable expenses actually incurred by the person in connection with the proceeding.

8.03. PROCEDURES RELATING TO INDEMNIFICATION PAYMENTS.

(a) Before the Corporation may pay any indemnification expenses (including attorney's fees), the Corporation must specifically determine that indemnification is permissible, authorize indemnification, and determine that expenses to be reimbursed are reasonable, except as provided in subparagraph (c), below. The Corporation may make these determinations and decisions by any one of the following procedures:

(i) Majority vote of a quorum consisting of directors who, at the time of the vote, are not named defendants or respondents in the proceeding.

(ii) If such a quorum cannot be obtained, by a majority vote of a committee of the Board, designated to act in the matter by a majority vote of all directors, consisting solely of two or more directors who at the time of the vote are not named defendants or respondents in the proceeding.

(iii) Determination by special legal counsel selected by the Board by the same vote as provided in subparagraphs (i) or (ii), above, or if such a quorum cannot be obtained and such a committee cannot be established, by a majority vote of all directors.

(b) The Corporation will authorize indemnification and determine that expenses to be reimbursed are reasonable in the same manner that it determines whether indemnification is permissible. If special legal counsel determines that

indemnification is permissible, authorization of indemnification and determination of reasonableness of expenses will be made as specified by subparagraph (a)(iii), above, governing selection of special legal counsel. A provision contained in the Certificate of Formation, or a resolution of members or the Board that requires the indemnification permitted by paragraph 8.01, above, constitutes sufficient authorization of indemnification even though the provision may not have been adopted or authorized in the same manner as the determination that indemnification is permissible.

(c) The Corporation will advance expenses before final disposition of a proceeding only after it determines that the facts then known would not preclude indemnification. The determination that the facts then known to those making the determination would not preclude indemnification and authorization of payment will be made in the same manner as a determination that indemnification is permissible under subparagraph (a), above. In addition to this determination, the Corporation may advance expenses only after it receives a written affirmation and undertaking from the person to receive the advance. The person's written affirmation will state that he or she has met the standard of conduct necessary for indemnification under these Bylaws. The written undertaking will provide for repayment of the amounts advanced by the Corporation if it is ultimately determined that the person has not met the requirements for indemnification. The undertaking will be an unlimited general obligation of the person, but it need not be secured and may be accepted without reference to financial ability to repay.

ARTICLE NINE: NOTICES

9.01. NOTICE BY MAIL OR TELEGRAM. Any notice required or permitted by these Bylaws to be given to a director, officer, or member of a committee of the Corporation may be given by mail, fax or email if the director, officer or member agrees to accept notice by email. If mailed, a notice is deemed delivered when deposited in the mail addressed to the person at his or her address as it appears on the corporate records, with postage prepaid. A person may change his or her address in the corporate records by giving written notice of the change to the secretary of the corporation.

9.02. SIGNED WAIVER OF NOTICE. Whenever any notice is required by law or under the Certificate of Formation or these Bylaws, a written waiver signed by the person entitled to receive such notice is considered the equivalent to giving the required notice. A waiver of notice is effective whether signed before or after the time stated in the notice being waived.

9.03. WAIVING NOTICE BY ATTENDANCE. A person's attendance at a meeting constitutes waiver of notice of the meeting unless the person attends for the express purpose of objecting to the transaction of any business because the meeting was not lawfully called or convened.

ARTICLE TEN: SPECIAL PROCEDURES CONCERNING MEETINGS

10.01. MEETING BY TELEPHONE. The Board of Directors, and any committee of the Corporation, may hold a meeting by telephone conference-call procedures. In all meetings held by telephone, matters must be arranged in such a manner that all persons participating in the meeting can hear each other; the notice of a meeting by telephone conference must state the fact that the meeting will be held by telephone as well as all other matters required to be included in the notice; and a person's participating in a conference-call meeting constitutes his or her presence at the meeting.

10.02. DECISION WITHOUT MEETING. Any decision required or permitted to be made at a meeting of the Board, or any committee of the Corporation may be made without a meeting. A decision without a meeting may be made if a written consent to the decision is signed by all the persons entitled to vote on the matter. The original signed consents will be placed in the Corporation minute book and kept with the corporate records. Furthermore, in accordance with the Certificate of Formation, action may be taken without a meeting when there are signed written consents by the number of members, directors, or committee members whose votes would be necessary to take action at a meeting at which all such persons entitled to vote were present and voted. Each written consent must be signed and bear the date of signature of the person signing it. A photographic, facsimile, or similar reproduction of a signed writing, will be treated as an original being signed by the member, director, or committee member. Consents must be delivered to the Corporation. A consent signed by fewer than all members, directors, or committee members is not effective to take the intended action unless the required number of consents are delivered to the Corporation within 60 days after the date that the earliest-dated consent was delivered to the Corporation. The delivery may be made to the Corporation's registered office, registered agent, principal place of business, or an officer or agent having custody of books in which the relevant proceedings are recorded. If the delivery is made to the Corporation's principal place of business, the consent must be addressed to the president or principal executive officer. The Corporation will give prompt notice of the action taken to persons who do not sign consents. If the action taken requires documents to be filed with the secretary of state, the filed documents will indicate that these written consent procedures were followed to authorize the action and filing.

10.03. PROXY VOTING. A person authorized to exercise a proxy may not exercise the proxy unless it is delivered to the officer presiding at the meeting before the business of the meeting begins. The secretary or other person taking the minutes of the meeting will record in the minutes the name of the person who executed the proxy and the name of the person authorized to exercise the proxy. If a person who has duly executed a proxy personally attends a meeting, the proxy will not be effective for that meeting. A proxy filed with the secretary of the Corporation or other designated officer remains in force until the first of the following occurs:

- (a) An instrument revoking the proxy is delivered to the secretary or other designated officer.
- (b) The proxy authority expires under the proxy's terms.
- (c) The proxy authority expires under the terms of these Bylaws.

ARTICLE ELEVEN: AMENDING BYLAWS

These Bylaws may be altered, amended, or repealed, and new bylaws may be adopted by the Board of Directors. The notice of any meeting at which these Bylaws are altered, amended, or repealed, or at which new bylaws are adopted will include the text of the proposed bylaw provisions as well as the text of any existing provisions proposed to be altered, amended, or repealed. Alternatively, the notice may include a fair summary of those provisions.

ARTICLE TWELVE: MISCELLANEOUS PROVISIONS

12.01. LEGAL AUTHORITIES GOVERNING CONSTRUCTION OF BYLAWS. These Bylaws will be construed under Texas law. All references in these Bylaws to statutes, regulations, or other sources of legal authority will refer to the authorities cited, or their successors, as they may be amended from time to time.

12.02. LEGAL CONSTRUCTION. To the greatest extent possible, these Bylaws shall be construed to conform to all legal requirements and all requirements for obtaining and maintaining all tax exemptions that may be available to nonprofit corporations. If any bylaw provision is held invalid, illegal, or unenforceable in any respect, the invalidity, illegality, or unenforceability will not affect any other provision, and the bylaws will be construed as if they had not included the invalid, illegal, or unenforceable provision.

12.03. HEADINGS. The headings used in the bylaws are for convenience and may not be considered in construing the bylaws.

12.04. NUMBER. All singular words include the plural, and all plural words include the singular.

12.05. SEAL. The Board of Directors may, but are not required to, provide for a corporate seal.

12.06. POWER OF ATTORNEY. A person may execute any instrument related to the Corporation by means of a power of attorney if an original executed copy of the power of attorney is provided to the secretary to be kept with the corporate records.

12.07. PARTIES BOUND. The Bylaws will bind and inure to the benefit of the directors, officers, committee members, employees, and agents of the Corporation and their respective heirs, executors, administrators, legal representatives, successors, and assigns except as the Bylaws otherwise provide.

Therefore, in the event of such breach, the non-breaching party shall be entitled to have an injunction issued by any court of competent jurisdiction, enforcing and restraining the breach in addition to any and all other available legal and equitable remedies. If the non-breaching party utilizes the services of any attorney to enforce successfully any part of this Article 7, including, but not limited to, obtaining an Injunction, and the non-breaching party's efforts are successful, then, whether or not suit is brought, the breaching party shall be liable for the payment of all reasonable attorneys' fees, and all other reasonable costs and expenses incurred by the non-breaching party in connection with such litigation. NOTICE OF LICENSE APPLICATION DENIAL

Whole Woman's Health Alliance
1812 Centre Creek Drive, Suite 205
Austin, Texas 78754

To Whom It May Concern:

The Commissioner of the Indiana State Department of Health (hereinafter referred to as "Commissioner"), pursuant to Ind. Code § 16-21-2-11, Ind. Code § 4-21.5-3-5, and 410 IAC 26, hereby issues this *Notice of License Application Denial* to Whole Woman's Health Alliance ("WWHA" or "Applicant").

On August 11, 2017, the Indiana State Department of Health (the "Department") received an *Application for License to Operate an Abortion Clinic* from WWHA. On September 21, 2017, the Department requested additional information based on discrepancies noted in WWHA's application. On October 6, 2017, the Department received a revised application from WWHA. After reviewing the revised application, the Department requested additional information to determine compliance with 410 IAC 26. In response to the Department's request to list all of the abortion and health care facilities currently operated by WWHA, its parent, affiliate, and subsidiary organizations, WWHA failed to disclose, concealed, or omitted information related to additional clinics.

Based upon the Department's review, the Commissioner finds WWHA failed to meet the requirement that the Applicant is of reputable and responsible character and the supporting documentation provided inaccurate statements or information. See 410 IAC 26-2-5. You are hereby notified that the Commissioner has **DENIED** the license application of WWHA dated August 11, 2017 (supplemented on October 6, 2017 and December 8, 2017).

A person may not provide abortion services unless the person holds a license issued by the Indiana State Department of Health. A person who knowingly or intentionally operates or advertises the operation of an unlicensed abortion clinic commits a Class A misdemeanor. Ind. Code § 16-21-2-10. Ind. Code § 16-21-2-2.5.

If WWHA wishes to seek administrative review of the *Notice of License Application Denial* pursuant to Indiana Code 4-21.5-3-5, it must file a petition for review within eighteen (18) days after this *Notice of Licensure Application Denial* is served. The petition for review and petition of stay of effectiveness must be postmarked no later than **January 23, 2018**.

Hi John:

The ISDH doesn't have agency-specific administrative appeal procedures other than what's outlined in the *Notice of License Application Denial* and Indiana's Administrative Orders and Procedures Act ("AOPA") (Ind. Code § 4-21.5). I've attached the AOPA for your reference. Chapter 3: Adjudicative Proceedings of AOPA governs here. Typically, once an appeal is received by our Court Administrator, the appeal will be assigned to an ISDH attorney and an ALJ. We hold telephonic prehearing conferences before any hearing would be set. Please let me know if you have any other questions.

- (e) Service shall be made on a person or on the person's counsel or other authorized representative of record in the proceeding. Service on an artificial person or a person incompetent to receive service shall be made on a person allowed to receive service under the rules governing civil actions in the courts. If an ultimate authority consists of more than one (1) individual, service on that ultimate authority must be made on the chairperson or secretary of the ultimate authority. A document to be filed with that ultimate authority must be filed with the chairperson or secretary of the ultimate authority.
- (f) If the current address of a person is not ascertainable, service shall be mailed to the last known address where the person resides or has a principal place of business. If the identity, address, or existence of a person is not ascertainable, or a law other than a rule allows, service shall be made by a single publication in a newspaper of general circulation in:
 - (1) the county in which the person resides, has a principal place of business, or has property that is the subject of the proceeding; or

IC 4-21.5-3-2 Time computation

Sec. 2. (a) In computing any period of time under this article, the day of the act, event, or default from which the designated period of time begins to run is not included. The last day of the computed period is to be included unless it is:

- (1) a Saturday;
 - (2) a Sunday;
 - (3) a legal holiday under a state statute; or
 - (4) a day that the office in which the act is to be done is closed during regular business hours.
- (b) A period runs until the end of the next day after a day described in subsection (a)(1) through (a)(4). If the period allowed is less than seven (7) days, intermediate Saturdays, Sundays, state holidays, and days on which the office in which the act is to be done is closed during regular business hours are excluded from the calculation.

 - (d) If section 1(f) of this chapter applies, a period of time under this article commences when a notice for the person is published in a newspaper.

- As added by P.L.18-1986, SEC.1. Amended by P.L.32-2011, SEC.2.*

IC 4-21.5-3-3 Notice of orders; additional proceedings; effectiveness; stays

Sec. 3. (a) An agency shall give notice concerning an order under section 4, 5, 6, or 8 of this chapter. An agency shall conduct additional proceedings under this chapter if required by section 7 or 8 of this chapter. However, IC 4-21.5-4 applies to the notice and proceedings necessary for emergency and other temporary orders.

(b) Notwithstanding IC 1-1-4-1, if:

(1) a panel of individuals responsible for an agency action has a quorum of its members present, as specified by law; and

(2) a statute other than IC 1-1-4-1 does not specify the number of votes necessary to take an agency action;

the panel may take the action by an affirmative vote of a majority of the members present and voting. For the purposes of this subsection, a member abstaining on a vote is not voting on the action.

(c) An order is effective when it is issued as a final order under this chapter, except to the extent that:

(1) a different date is set by this article;

(2) a later date is set by an agency in its order; or

(3) an order is stayed.

(d) After an order becomes effective, an agency may suspend the effect of an order, in whole or in part, by staying the order under this chapter.

(e) A party to an order may be required to comply with an order only after the party has been served with the order or has actual knowledge of the order.

As added by P.L.18-1986, SEC.1. Amended by P.L.35-1987, SEC.3.

IC 4-21.5-3-4 Notice required; licenses and personnel decisions; persons who must be notified; contents

Sec. 4. (a) Notice must be given under this section concerning the following:

(1) The denial of a driver's license by the bureau of motor vehicles under IC 9.

(2) The grant, renewal, restoration, transfer, or denial of a noncommercial fishing or hunting license by the department of natural resources under IC 14.

(3) The grant, renewal, restoration, transfer, or denial of a license by an entity described in IC 25-0.5-9.

(4) The grant, renewal, suspension, revocation, or denial of a certificate of registration under IC 25-5.2.

(5) A personnel decision by an agency.

(6) The grant, renewal, restoration, transfer, or denial of a license by the department of environmental management or the commissioner of the department under the following:

(A) Environmental management laws (as defined in IC 13-11-2-71) for the construction, installation, or modification of:

(i) sewers and appurtenant facilities, devices, or structures for the collection and transport of sewage (as defined in IC 13-11-2-200) or storm water to a storage or treatment facility or to a point of discharge into the environment; or

(ii) pipes, pumps, and appurtenant facilities, devices, or structures that are part of a public water system (as defined in IC 13-11-2-177.3) and that are used to transport water to a storage or treatment facility or to distribute water to the users

of the public water system;

where a federal, state, or local governmental body has given or will give public notice and has provided or will provide an opportunity for public participation concerning the activity that is the subject of the license.

(B) Environmental management laws (as defined in IC 13-11-2-71) for the registration of a device or a piece of equipment.

(C) IC 13-17-6-1 for a person to engage in the inspection, management, and abatement of asbestos containing material.

(D) IC 13-18-11 for a person to operate a wastewater treatment plant.

(E) IC 13-15-10 for a person to operate the following:

(i) A solid waste incinerator or a waste to energy facility.

(ii) A land disposal site.

(iii) A facility described under IC 13-15-1-3 whose operation could have an adverse impact on the environment if not operated properly.

(F) IC 13-20-4 for a person to operate a municipal waste collection and transportation vehicle.

(b) When an agency issues an order described by subsection (a), the agency shall give a written notice of the order to the following persons:

(1) Each person to whom the order is specifically directed.

(2) Each person to whom a law requires notice to be given.

A person that is entitled to notice under this subsection is not a party to any proceeding resulting from the grant of a petition for review under section 7 of this chapter unless the person is designated as a party on the record of the proceeding.

(c) The notice must include the following:

(1) A brief description of the order.

(2) A brief explanation of the available procedures and the time limit for seeking administrative review of the order under section 7 of this chapter.

(3) Any information required by law.

(d) An order under this section is effective when it is served. However, if a timely and sufficient application has been made for renewal of a license described by subsection (a)(3) and review is granted under section 7 of this chapter, the existing license does not expire until the agency has disposed of the proceeding under this chapter concerning the renewal, unless a statute other than this article provides otherwise. This subsection does not preclude an agency from issuing under IC 4-21.5-4 an emergency or other temporary order with respect to the license.

(e) If a petition for review of an order described in subsection (a) is filed within the period set by section 7 of this chapter and a petition for stay of effectiveness of the order is filed by a party or another person that has a pending petition for intervention in the proceeding, an administrative law judge shall, as soon as practicable, conduct a preliminary hearing to determine whether the order should be stayed in whole or in part. The burden of proof in the preliminary hearing is on the person seeking the stay. The administrative law judge may stay the order in whole or in part. The order concerning the stay may be issued after an order described in subsection (a) becomes effective. The resulting order concerning the stay shall be served on the parties and any person that has a pending petition for intervention in the proceeding. It must include a statement of the facts and law on which it is based.

IC 4-21.5-3-5 Notice required; certain licensing and other decisions; persons who must be notified; contents; effectiveness of order; stays

Sec. 5. (a) Notice shall be given under this section concerning the following:

(1) The grant, renewal, restoration, transfer, or denial of a license not described by

section 4 of this chapter.

(2) The approval, renewal, or denial of a loan, grant of property or services, bond, financial guarantee, or tax incentive.

(3) The grant or denial of a license in the nature of a variance or exemption from a law.

(4) The determination of tax due or other liability.

(5) A determination of status.

(6) Any order that does not impose a sanction or terminate a legal right, duty, privilege, immunity, or other legal interest.

(b) When an agency issues an order described in subsection (a), the agency shall give a written notice of the order to the following persons:

(1) Each person to whom the order is specifically directed.

(2) Each person to whom a law requires notice to be given.

(3) Each competitor who has applied to the agency for a mutually exclusive license, if issuance is the subject of the order and the competitor's application has not been denied in an order for which all rights to judicial review have been waived or exhausted.

(4) Each person who has provided the agency with a written request for notification of the order, if the request:

(A) describes the subject of the order with reasonable particularity; and

(B) is delivered to the agency at least seven (7) days before the day that notice is given under this section.

(5) Each person who has a substantial and direct proprietary interest in the subject of the order.

(6) Each person whose absence as a party in the proceeding concerning the order would deny another party complete relief in the proceeding or who claims an interest related to the subject of the order and is so situated that the disposition of the matter, in the person's absence, may:

(A) as a practical matter impair or impede the person's ability to protect that interest; or

(B) leave any other person who is a party to a proceeding concerning the order subject to a substantial risk of incurring multiple or otherwise inconsistent obligations by reason of the person's claimed interest.

A person who is entitled to notice under this subsection is not a party to any proceeding resulting from the grant of a petition for review under section 7 of this chapter unless the person is designated as a party in the record of the proceeding.

(c) The notice required by subsection (a) must include the following:

(1) A brief description of the order.

(2) A brief explanation of the available procedures and the time limit for seeking administrative review of the order under section 7 of this chapter.

(3) A brief explanation of how the person may obtain notices of any prehearing conferences, preliminary hearings, hearings, stays, and any orders disposing of the proceedings without intervening in the proceeding, if a petition for review is granted under section 7 of this chapter.

(4) Any other information required by law.

(d) An agency issuing an order under this section or conducting an administrative review of the order shall give notice of any:

(1) prehearing conference;

(2) preliminary hearing;

(3) hearing;

(4) stay; or

(5) order disposing of all proceedings;

concerning the order to a person notified under subsection (b) who requests these notices in the manner specified under subsection (c)(3).

(e) If a statute requires an agency to solicit comments from the public in a nonevidentiary

public hearing before issuing an order described by subsection (a), the agency shall announce at the opening and the close of the public hearing how a person may receive notice of the order under subsection (b)(4).

(f) If a petition for review and a petition for stay of effectiveness of an order described in subsection (a) has not been filed, the order is effective fifteen (15) days (or any longer period during which a person may, by statute, seek administrative review of the order) after the order is served. If both a petition for review and a petition for stay of effectiveness are filed before the order becomes effective, any part of the order that is within the scope of the petition for stay is stayed for an additional fifteen (15) days. Any part of the order that is not within the scope of the petition is not stayed. The order takes effect regardless of whether the persons described by subsection (b)(5) or (b)(6) have been served. An agency shall make a good faith effort to identify and notify these persons, and the agency has the burden of persuasion that it has done so. The agency may request that the applicant for the order assist in the identification of these persons. Failure to notify any of these persons is not grounds for invalidating an order, unless an unnotified person is substantially prejudiced by the lack of notice. The burden of persuasion as to substantial prejudice is on the unnotified person.

(g) If a timely and sufficient application has been made for renewal of a license with reference to any activity of a continuing nature and review is granted under section 7 of this chapter, the existing license does not expire until the agency has disposed of a proceeding under this chapter concerning the renewal, unless a statute other than this article provides otherwise. This subsection does not preclude an agency from issuing, under IC 4-21.5-4, an emergency or other temporary order with respect to the license.

(h) On the motion of any party or other person having a pending petition for intervention in the proceeding, an administrative law judge shall, as soon as practicable, conduct a preliminary hearing to determine whether the order should be stayed. The burden of proof in the preliminary hearing is on the person seeking the stay. The administrative law judge may stay the order in whole or in part. The order concerning the stay may be issued before or after the order described in subsection (a) becomes effective. The resulting order concerning the stay shall be served on the parties, any person who has a pending petition for intervention in the proceeding, and any person who has requested notice under subsection (d). It must include a statement of the facts and law on which it is based.

As added by P.L.18-1986, SEC.1. Amended by P.L.35-1987, SEC.4.

Sec. 6. (a) Notice shall be given under this section concerning the following:

(1) A safety order under IC 22-8-1.1.

(2) Any order that:

(A) imposes a sanction on a person or terminates a legal right, duty, privilege, immunity, or other legal interest of a person;

(B) is not described in section 4 or 5 of this chapter or IC 4-21.5-4; and

(C) by statute becomes effective without a proceeding under this chapter if there is no request for a review of the order within a specified period after the order is issued or served.

(3) A notice of program reimbursement or equivalent determination or other notice regarding a hospital's reimbursement issued by the office of Medicaid policy and planning or by a contractor of the office of Medicaid policy and planning regarding a hospital's year end cost settlement.

(4) A determination of audit findings or an equivalent determination by the office of Medicaid policy and planning or by a contractor of the office of Medicaid policy and planning arising from a Medicaid postpayment or concurrent audit of a hospital's Medicaid claims.

(5) A license suspension or revocation under:

- (A) IC 24-4.4-2;
- (B) IC 24-4.5-3;
- (C) IC 28-1-29;
- (D) IC 28-7-5;
- (E) IC 28-8-4; or
- (F) IC 28-8-5.

(6) An order issued by the secretary or the secretary's designee against providers regulated by the division of aging or the bureau of developmental disabilities services and not licensed by the state department of health under IC 16-27 or IC 16-28.

(b) When an agency issues an order described by subsection (a), the agency shall give notice to the following persons:

- (1) Each person to whom the order is specifically directed.
- (2) Each person to whom a law requires notice to be given.

A person who is entitled to notice under this subsection is not a party to any proceeding resulting from the grant of a petition for review under section 7 of this chapter unless the person is designated as a party in the record of the proceeding.

(c) The notice must include the following:

- (1) A brief description of the order.
- (2) A brief explanation of the available procedures and the time limit for seeking administrative review of the order under section 7 of this chapter.
- (3) Any other information required by law.

(d) An order described in subsection (a) is effective fifteen (15) days after the order is served, unless a statute other than this article specifies a different date or the agency specifies a later date in its order. This subsection does not preclude an agency from issuing, under IC 4-21.5-4, an emergency or other temporary order concerning the subject of an order described in subsection (a).

(e) If a petition for review of an order described in subsection (a) is filed within the period set by section 7 of this chapter and a petition for stay of effectiveness of the order is filed by a party or another person who has a pending petition for intervention in the proceeding, an administrative law judge shall, as soon as practicable, conduct a preliminary hearing to determine whether the order should be stayed in whole or in part. The burden of proof in the preliminary hearing is on the person seeking the stay. The administrative law judge may stay the order in whole or in part. The order concerning the stay may be issued after an order described in subsection (a) becomes effective. The resulting order concerning the stay shall be served on the parties and any person who has a pending petition for intervention in the proceeding. It must include a statement of the facts and law on which it is based.

IC 4-21.5-3-7 Review; petition; denial of petition; preliminary hearing

Sec. 7. (a) To qualify for review of a personnel action to which IC 4-15-2.2 applies, a person must comply with IC 4-15-2.2-42. To qualify for review of any other order described in section 4, 5, or 6 of this chapter, a person must petition for review in a writing that does the following:

- (1) States facts demonstrating that:
 - (A) the petitioner is a person to whom the order is specifically directed;
 - (B) the petitioner is aggrieved or adversely affected by the order; or
 - (C) the petitioner is entitled to review under any law.
- (2) Includes, with respect to determinations of notice of program reimbursement and audit findings described in section 6(a)(3) and 6(a)(4) of this chapter, a statement of issues that includes:
 - (A) the specific findings, action, or determination of the office of Medicaid policy

and planning or of a contractor of the office of Medicaid policy and planning from which the provider is appealing;

(B) the reason the provider believes that the finding, action, or determination of the office of Medicaid policy and planning or of a contractor of the office of Medicaid policy and planning was in error; and

(C) with respect to each finding, action, or determination of the office of Medicaid policy and planning or of a contractor of the office of Medicaid policy and planning, the statutes or rules that support the provider's contentions of error.

Not more than thirty (30) days after filing a petition for review under this section, and upon a finding of good cause by the administrative law judge, a person may amend the statement of issues contained in a petition for review to add one (1) or more additional issues.

(3) Is filed:

(A) with respect to an order described in section 4, 5, 6(a)(1), 6(a)(2), or 6(a)(5) of this chapter, with the ultimate authority for the agency issuing the order within fifteen (15) days after the person is given notice of the order or any longer period set by statute; or

(B) with respect to a determination described in section 6(a)(3) or 6(a)(4) of this chapter, with the office of Medicaid policy and planning not more than one hundred eighty (180) days after the hospital is provided notice of the determination.

The issuance of an amended notice of program reimbursement by the office of Medicaid policy and planning does not extend the time within which a hospital must file a petition for review from the original notice of program reimbursement under clause (B), except for matters that are the subject of the amended notice of program reimbursement.

If the petition for review is denied, the petition shall be treated as a petition for intervention in any review initiated under subsection (d).

(b) If an agency denies a petition for review under subsection (a) and the petitioner is not allowed to intervene as a party in a proceeding resulting from the grant of the petition for review of another person, the agency shall serve a written notice on the petitioner that includes the following:

(1) A statement that the petition for review is denied.

(2) A brief explanation of the available procedures and the time limit for seeking administrative review of the denial under subsection (c).

(c) An agency shall assign an administrative law judge to conduct a preliminary hearing on the issue of whether a person is qualified under subsection (a) to obtain review of an order when a person requests reconsideration of the denial of review in a writing that:

(1) states facts demonstrating that the person filed a petition for review of an order described in section 4, 5, or 6 of this chapter;

(2) states facts demonstrating that the person was denied review without an evidentiary hearing; and

(3) is filed with the ultimate authority for the agency denying the review within fifteen (15) days after the notice required by subsection (b) was served on the petitioner.

Notice of the preliminary hearing shall be given to the parties, each person who has a pending petition for intervention in the proceeding, and any other person described by section 5(d) of this chapter. The resulting order must be served on the persons to whom notice of the preliminary hearing must be given and include a statement of the facts and law on which it is based.

(d) If a petition for review is granted, the petitioner becomes a party to the proceeding and the agency shall assign the matter to an administrative law judge or certify the matter to another agency for the assignment of an administrative law judge (if a statute transfers responsibility for a hearing on the matter to another agency). The agency granting the administrative review or the agency to which the matter is transferred may conduct informal

proceedings to settle the matter to the extent allowed by law.

Sec. 8. (a) An agency may issue a sanction or terminate a legal right, duty, privilege, immunity, or other legal interest not described by section 4, 5, or 6 of this chapter only after conducting a proceeding under this chapter. However, this subsection does not preclude an agency from issuing, under IC 4-21.5-4, an emergency or other temporary order concerning the subject of the proceeding.

(b) When an agency seeks to issue an order that is described by subsection (a), the agency shall serve a complaint upon:

- (1) each person to whom any resulting order will be specifically directed; and
- (2) any other person required by law to be notified.

A person notified under this subsection is not a party to the proceeding unless the person is a person against whom any resulting order will be specifically directed or the person is designated by the agency as a party in the record of the proceeding.

(c) The complaint required by subsection (b) must include the following:

- (1) A short, plain statement showing that the pleader is entitled to an order.
- (2) A demand for the order that the pleader seeks.

- (3) to ease scheduling difficulties; or
- (4) for another good cause.

An agency may adopt rules under IC 4-22-2 to implement this subsection.

IC 4-21.5-3-9 Ultimate authority of agency; acting as or designating an administrative judge; disqualification; procedures

Sec. 9. (a) Except to the extent that a statute other than this article limits an agency's discretion to select an administrative law judge, the ultimate authority for an agency may:

- (1) act as an administrative law judge;
- (2) designate one (1) or more members of the ultimate authority (if the ultimate authority is a panel of individuals) to act as an administrative law judge; or
- (3) designate one (1) or more:

(A) attorneys licensed to practice law in Indiana; or

(B) persons who served as administrative law judges for a state agency before January 1, 2014;

to act as an administrative law judge.

A person designated under subdivision (3) is not required to be an employee of the agency.

A designation under subdivision (2) or (3) may be made in advance of the commencement of any particular proceeding for a generally described class of proceedings or may be made for a particular proceeding. A general designation may provide procedures for the assignment of designated individuals to particular proceedings.

(b) An agency may not knowingly assign an individual to serve alone or with others as an administrative law judge who is subject to disqualification under this chapter.

(c) If the judge believes that the judge's impartiality might reasonably be questioned, or believes that the judge's personal bias, prejudice, or knowledge of a disputed evidentiary fact might influence the decision, an individual assigned to serve alone or with others as an administrative law judge shall:

(1) withdraw as the administrative law judge; or

(2) inform the parties of the potential basis for disqualification, place a brief statement of this basis on the record of the proceeding, and allow the parties an opportunity to petition for disqualification under subsection (d).

(d) Any party to a proceeding may petition for the disqualification of an individual serving alone or with others as an administrative law judge upon discovering facts establishing grounds for disqualification under this chapter. The administrative law judge assigned to the proceeding shall determine whether to grant the petition, stating facts and reasons for the determination. If the administrative law judge ruling on the disqualification issue is not the ultimate authority for the agency, the party petitioning for disqualification may petition the ultimate authority in writing for review of the ruling within ten (10) days after notice of the ruling is served. The ultimate authority shall conduct proceedings described by section 28 of this chapter to review the petition and affirm, modify, or dissolve the ruling within thirty (30) days after the petition is filed. A determination by the ultimate authority under this subsection is a final order subject to judicial review under IC 4-21.5-5.

(e) If a substitute is required for an administrative law judge who is disqualified or becomes unavailable for any other reason, the substitute must be appointed in accordance with subsection (a).

(f) Any action taken by a duly appointed substitute for a disqualified or unavailable administrative law judge is as effective as if taken by the latter.

(1) review; or

(2) issue a final order with respect to;

a matter pending before or adjudicated by an administrative law judge, the provisions of section 11 of this chapter that apply to an administrative law judge or to a person communicating with an administrative law judge apply to a member of the ultimate authority and to a person communicating with a member of the ultimate authority.

Nothing in this subsection prohibits an individual who is an employee of an agency from serving as an administrative law judge.

(b) This subsection does not apply to a proceeding concerning a regulated occupation (as defined in IC 25-1-7-1), except for a proceeding concerning a waterwell driller (as described in IC 25-39-3) or an out of state mobile health care entity regulated by the state department of health. An individual who is disqualified under subsection (a)(2) or (a)(3) shall provide the parties a list of at least three (3) special administrative law judges who meet the requirements of:

(e) The administrative law judge may administer oaths and affirmations and rule on any offer of proof or other motion.

(f) The administrative law judge may give nonparties an opportunity to present oral or written statements. If the administrative law judge proposes to consider a statement by a nonparty, the judge shall give all parties an opportunity to challenge or rebut it and, on motion of any party, the judge shall require the statement to be given under oath or affirmation.

(g) The administrative law judge shall have the hearing recorded at the agency's expense. The agency is not required, at its expense, to prepare a transcript, unless required to do so by law. Any party, at the party's expense, may cause a reporter approved by the agency to prepare a transcript from the agency's record, or cause additional recordings to be made during the hearing if the making of the additional recordings does not cause distraction or disruption. Notwithstanding IC 5-14-3-8, an agency may charge a person who requests that an agency provide a transcript (other than for judicial review under IC 4-21.5-5-13) the reasonable costs of preparing the transcript.

IC 4-21.5-3-26 Conduct of hearing; evidence

Sec. 26. (a) This section and section 25 of this chapter govern the conduct of any hearing conducted by an administrative law judge. Upon proper objection, the administrative law judge shall exclude evidence that is irrelevant, immaterial, unduly repetitious, or excludable on constitutional or statutory grounds or on the basis of evidentiary privilege recognized in the courts. In the absence of proper objection, the administrative law judge may exclude objectionable evidence. The administrative law judge may admit hearsay evidence. If not objected to, the hearsay evidence may form the basis for an order. However, if the evidence is properly objected to and does not fall within a recognized exception to the hearsay rule, the resulting order may not be based solely upon the hearsay evidence.

(b) All testimony of parties and witnesses must be made under oath or affirmation.

(c) Statements presented by nonparties in accordance with section 25 of this chapter may be received as evidence.

(d) Any part of the evidence may be received in written form if doing so will expedite the hearing without substantial prejudice to the interests of any party.

(e) Documentary evidence may be received in the form of a copy or excerpt. Upon request, parties shall be given an opportunity to compare the copy with the original if available.

(f) Official notice may be taken of the following:

- (1) Any fact that could be judicially noticed in the courts.
- (2) The record of other proceedings before the agency.
- (3) Technical or scientific matters within the agency's specialized knowledge.
- (4) Codes or standards that have been adopted by an agency of the United States or this state.

(g) Parties must be:

- (1) notified before or during the hearing, or before the issuance of any order that is based in whole or in part on facts or material noticed under subsection (f), of the specific facts or material noticed, and the source of the facts or material noticed, including any staff memoranda and data; and
- (2) afforded an opportunity to contest and rebut the facts or material noticed under subsection (f).

IC 4-21.5-3-27 Final orders; findings of fact and conclusions of law

Sec. 27. (a) If the administrative law judge is the ultimate authority for the agency, the ultimate authority's order disposing of a proceeding is a final order. If the administrative law judge is not the ultimate authority, the administrative law judge's order disposing of the proceeding becomes a final order when affirmed under section 29 of this chapter. Regardless of whether the order is final, it must comply with this section.

(b) This subsection applies only to an order not subject to subsection (c). The order must include, separately stated, findings of fact for all aspects of the order, including the remedy prescribed and, if applicable, the action taken on a petition for stay of effectiveness. Findings of ultimate fact must be accompanied by a concise statement of the underlying basic facts of record to support the findings. The order must also include a statement of the available procedures and time limit for seeking administrative review of the order (if administrative review is available).

(c) This subsection applies only to an order of the ultimate authority entered under IC 13, IC 14, or IC 25. The order must include separately stated findings of fact and, if a final order, conclusions of law for all aspects of the order, including the remedy prescribed and, if applicable, the action taken on a petition for stay of effectiveness. Findings of ultimate fact must be accompanied by a concise statement of the underlying basic facts of record to support the findings. Conclusions of law must consider prior final orders (other than negotiated orders) of the ultimate authority under the same or similar circumstances if those prior final orders are raised on the record in writing by a party and must state the reasons for deviations from those prior orders. The order must also include a statement of the available procedures and time limit for seeking administrative review of the order (if administrative review is available).

(d) Findings must be based exclusively upon the evidence of record in the proceeding and on matters officially noticed in that proceeding. Findings must be based upon the kind of evidence that is substantial and reliable. The administrative law judge's experience, technical competence, and specialized knowledge may be used in evaluating evidence.

(e) A substitute administrative law judge may issue the order under this section upon the record that was generated by a previous administrative law judge.

(f) The administrative law judge may allow the parties a designated amount of time after conclusion of the hearing for the submission of proposed findings.

(g) An order under this section shall be issued in writing within ninety (90) days after conclusion of the hearing or after submission of proposed findings in accordance with subsection (f), unless this period is waived or extended with the written consent of all parties or for good cause shown.

(h) The administrative law judge shall have copies of the order under this section delivered to each party and to the ultimate authority for the agency (if it is not rendered by the ultimate authority).

IC 4-21.5-3-28 Final order; authority to issue; proceedings

Sec. 28. (a) This section applies to proceedings under sections 29, 30, and 31 of this chapter.

(b) The ultimate authority or its designee shall conduct proceedings to issue a final order. A designee may be selected in advance of the commencement of any particular proceeding for a generally described class of proceedings or may be selected for a particular proceeding. A general designation may provide procedures for the assignment of designated individuals to particular proceedings.

(c) Any individual serving alone or with others in a proceeding may be disqualified for any of the reasons that an administrative law judge may be disqualified. The procedures in section 9 of this chapter apply to the disqualification and substitution of the individual.

(d) Motions and petitions submitted by a party to the ultimate authority shall be served on each party to the proceeding and to any person described by section 5(d) of this chapter.

(e) In the conduct of its proceedings, the ultimate authority or its designee shall afford each party an opportunity to present briefs. The ultimate authority or its designee may:

- (1) afford each party an opportunity to present oral argument;
- (2) have a transcript prepared, at the agency's expense, of any portion of the record of a proceeding that the ultimate authority or its designee considers necessary;
- (3) exercise the powers of an administrative law judge to hear additional evidence under sections 25 and 26 of this chapter; or
- (4) allow nonparties to participate in a proceeding in accordance with section 25 of this chapter.

Sections 15 and 16 of this chapter concerning representation and interpreters apply to the proceedings of the ultimate authority or its designee.

(f) Notices and orders of the ultimate authority or its designee shall be served on all parties and all other persons who have requested notice under section 5 of this chapter.

(g) The final order of the ultimate authority or its designee must:

- (1) identify any differences between the final order and the nonfinal order issued by the administrative law judge under section 27 of this chapter;
- (2) include findings of fact meeting the standards of section 27 of this chapter or incorporate the findings of fact in the administrative law judge's order by express reference to the order; and
- (3) briefly explain the available procedures and time limit for seeking administrative review of the final order by another agency under section 30 of this chapter (if any is available).

As added by P.L.18-1986, SEC.1.

IC 4-21.5-3-29 Orders from other than ultimate authority; review by ultimate authority; objections

Sec. 29. (a) This section does not apply if the administrative law judge issuing an order under section 27 of this chapter is the ultimate authority for the agency.

(b) After an administrative law judge issues an order under section 27 of this chapter, the ultimate authority or its designee shall issue a final order:

- (1) affirming;
- (2) modifying; or
- (3) dissolving;

the administrative law judge's order. The ultimate authority or its designee may remand the matter, with or without instructions, to an administrative law judge for further proceedings.

(c) In the absence of an objection or notice under subsection (d) or (e), the ultimate authority or its designee shall affirm the order.

(d) To preserve an objection to an order of an administrative law judge for judicial

review, a party must not be in default under this chapter and must object to the order in a writing that:

- (1) identifies the basis of the objection with reasonable particularity; and
 - (2) is filed with the ultimate authority responsible for reviewing the order within fifteen (15) days (or any longer period set by statute) after the order is served on the petitioner.
- (e) Without an objection under subsection (d), the ultimate authority or its designee may serve written notice of its intent to review any issue related to the order. The notice shall be served on all parties and all other persons described by section 5(d) of this chapter. The notice must identify the issues that the ultimate authority or its designee intends to review.
- (f) A final order disposing of a proceeding or an order remanding an order to an administrative law judge for further proceedings shall be issued within sixty (60) days after the latter of:

- (1) the date that the order was issued under section 27 of this chapter;
- (2) the receipt of briefs; or
- (3) the close of oral argument;

unless the period is waived or extended with the written consent of all parties or for good cause shown.

(g) After remand of an order under this section to an administrative law judge, the judge's order is also subject to review under this section.

As added by P.L.18-1986, SEC.1.

IC 4-21.5-3-30 Review by another agency

Sec. 30. If, under a statute, an agency may review the final order of another agency, the review shall be treated as if it was a continuous proceeding before a single agency. For the purposes of this review and the application of section 3 of this chapter concerning the effectiveness of an order, a final order of the first agency shall be treated as a nonfinal order of an administrative law judge, and the second agency shall review the order under section 29 of this chapter. To preserve an issue for judicial review, a party must comply with section 29(d) of this chapter before the second agency. The ultimate authority for the second agency or its designee may conduct proceedings under section 31 of this chapter.

As added by P.L.18-1986, SEC.1.

IC 4-21.5-3-31 Modification of final order

Sec. 31. (a) An agency has jurisdiction to modify a final order under this section before the earlier of the following:

- (1) Thirty (30) days after the agency has served the final order under section 27, 29, or 30 of this chapter.
- (2) Another agency assumes jurisdiction over the final order under section 30 of this chapter.
- (3) A court assumes jurisdiction over the final order under IC 4-21.5-5.

(b) A party may petition the ultimate authority for an agency for a stay of effectiveness of a final order. The ultimate authority or its designee may, before or after the order becomes effective, stay the final order in whole or in part.

(c) A party may petition the ultimate authority for an agency for a rehearing of a final order. The ultimate authority or its designee may grant a petition for rehearing only if the petitioning party demonstrates that:

- (1) the party is not in default under this chapter;
- (2) newly discovered material evidence exists; and
- (3) the evidence could not, by due diligence, have been discovered and produced at the hearing in the proceeding.

The rehearing may be limited to the issues directly affected by the newly discovered evidence. If the rehearing is conducted by a person other than the ultimate authority, section 29 of this chapter applies to review of the order resulting from the rehearing.

(d) Clerical mistakes and other errors resulting from oversight or omission in a final order or other part of the record of a proceeding may be corrected by an ultimate authority or its designee on the motion of any party or on the motion of the ultimate authority or its designee.

(e) An action of a petitioning party or an agency under this section neither tolls the period in which a party may object to a second agency under section 30 of this chapter nor tolls the period in which a party may petition for judicial review under IC 4-21.5-5. However, if a rehearing is granted under subsection (c), these periods are tolled and a new period begins on the date that a new final order is served.

IC 4-21.5-3-32 Final orders; public inspection; indexing; deletions; precedent

Sec. 32. (a) Each agency shall make all written final orders available for public inspection and copying under IC 5-14-3. The agency shall index final orders that are issued after June 30, 1987, by name and subject. An agency shall index an order issued before July 1, 1987, if a person submits a written request to the agency that the order be indexed. An agency shall delete from these orders identifying details to the extent required by IC 5-14-3 or other law. In each case, the justification for the deletion must be explained in writing and attached to the order.

(b) An agency may not rely on a written final order as precedent to the detriment of any person until the order has been made available for public inspection and indexed in the manner described in subsection (a). However, this subsection does not apply to any person who has actual timely knowledge of the order. The burden of proving that knowledge is on the agency.

As added by P.L.18-1986, SEC.1. Amended by P.L.35-1987, SEC.15.

IC 4-21.5-3-33 Records

Sec. 33. (a) An agency shall maintain an official record of each proceeding under this chapter.

(b) The agency record of the proceeding consists only of the following:

- (1) Notices of all proceedings.
- (2) Any prehearing order.
- (3) Any motions, pleadings, briefs, petitions, requests, and intermediate rulings.
- (4) Evidence received or considered.
- (5) A statement of matters officially noticed.
- (6) Proffers of proof and objections and rulings on them.
- (7) Proposed findings, requested orders, and exceptions.
- (8) The record prepared for the administrative law judge or for the ultimate authority or its designee under sections 28 through 31 of this chapter, at a hearing, and any transcript of the record considered before final disposition of the proceeding.
- (9) Any final order, nonfinal order, or order on rehearing.
- (10) Staff memoranda or data submitted to the administrative law judge or a person presiding in a proceeding under sections 28 through 31 of this chapter.
- (11) Matters placed on the record after an ex parte communication.

(c) Except to the extent that a statute provides otherwise, the agency record described by subsection (b) constitutes the exclusive basis for agency action in proceedings under this chapter and for judicial review of a proceeding under this chapter.

As added by P.L.18-1986, SEC.1.

IC 4-21.5-3-34 Informal procedures; rules; final orders

Sec. 34. (a) An agency is encouraged to develop informal procedures that are consistent with this article and make unnecessary more elaborate proceedings under this article.

(b) An agency may adopt rules, under IC 4-22-2, setting specific procedures to facilitate informal settlement of matters. The procedures must be consistent with this article.

(c) This section does not require any person to settle a matter under the agency's informal procedures.

(d) This subsection does not apply to a proceeding before the state ethics commission (created by IC 4-2-6-2) or a proceeding concerning a regulated occupation (as defined in IC 25-1-7-1), except for a proceeding concerning a water well driller (as described in IC 25-39-3) or an out of state mobile health care entity regulated by the state department of health. When a matter is settled without the need for more elaborate proceedings under this section, the ultimate authority or its designee shall issue the order agreed to by the parties as a final order under this article.

(e) When the final order referred to in subsection (d) involves the modification of a permit issued under IC 13, the administrative law judge:

(1) shall remand the permit to the issuing agency with instructions to modify the permit in accordance with the final order; and

(2) retains jurisdiction over any appeals of the modified permit.

Only those terms of the permit that are the subject of the final order shall be modified and subject to public notice and comment.

(f) Any petition for administrative review under this chapter concerning permit modification under subsection (e) is limited to only those terms of the permit modified in accordance with the final order issued under subsection (d).

IC 4-21.5-3-35 Additional procedural rights; rules

Sec. 35. An agency may grant procedural rights to persons in addition to those conferred by this article so long as the rights conferred upon other persons by any law are not substantially prejudiced. The agency may adopt rules, under IC 4-22-2, concerning the nature and requirements of all procedures for requesting a proceeding or engaging in a proceeding, so long as the rules are not inconsistent with this article.

(b) Not more than fifteen (15) days after an order of selection for mediation, a party may object by filing a written objection specifying the grounds. The administrative law judge shall promptly consider an objection to mediation and any response to the objection and shall reconsider whether the proceeding is appropriate for mediation.

(c) In considering an order for mediation under this section, the administrative law judge shall consider:

- (1) the willingness of the parties to mutually resolve their dispute;

- (1) The legal and factual contentions of the party.
- (2) The factors considered in arriving at a settlement posture.
- (3) The settlement negotiations to date.

(b) A confidential statement under this section may be supplemented by exhibits or evidence that must be made available to the opposing party or the opposing party's counsel at least five (5) days before the mediation conference.

(c) A confidential statement is privileged and confidential unless an agreement by the parties to the contrary is provided to the mediator.

(d) If the mediation process does not result in settlement, any submitted confidential statement must be returned to the submitting attorney or party.

(e) Notwithstanding IC 4-21.5-4-6, the following are not public records or part of the agency record, gathered by the mediator in the course of mediation, in a proceeding:

IC 4-21.5-3.5-19 Mediator meetings with parties

Sec. 19. In the mediation process, the mediator may meet jointly or separately with the parties and may express an evaluation of the proceeding to one (1) or more parties or their representatives. This evaluation may be expressed in the form of settlement ranges rather than exact amounts. The mediator may share revealed settlement authority with other parties or their representatives.

As added by P.L.16-1996, SEC.1.

IC 4-21.5-3.5-20 Termination of mediation

Sec. 20. (a) As soon after mediation as practicable, the mediator shall report to the administrative law judge that the mediation process has been completed, terminated, or extended.

(b) The mediator shall terminate mediation whenever:

- (1) the mediator believes that continuation of the process would harm or prejudice one (1) or more of the parties; or
- (2) the ability or willingness of any party to participate meaningfully in mediation is lacking to the extent that a reasonable agreement is unlikely.

(c) After at least two (2) mediation sessions have been completed, any party may terminate mediation. The mediator may not state the reason for termination except when the termination is due to conflict of interest or bias on the part of the mediator, in which case another mediator may be assigned to the proceeding by the administrative law judge for the proceeding.

As added by P.L.16-1996, SEC.1.

IC 4-21.5-3.5-21 Failure to reach agreement; requirements for agreement

Sec. 21. (a) If the parties do not reach an agreement on any matter as a result of mediation, the mediator shall report the lack of an agreement without comment or recommendation to the administrative law judge assigned to the proceeding. With the consent of the parties, the mediator's report may also identify any pending motions or outstanding legal issues, discovery process, or other action by any party that, if resolved or completed, would facilitate the possibility of a settlement.

(b) An agreement as a result of mediation must be in writing and signed by the parties. The agreement must be filed with the administrative law judge assigned to the proceeding. If the agreement is complete on all issues, it must be accompanied by a joint stipulation of disposition. Upon approval of a joint stipulation of disposition by the administrative law judge, it has the same force and effect as an agreed order approved by an administrative law judge from the agency involved.

(c) An approved joint stipulation of disposition under this chapter is considered a contract between the parties.

As added by P.L.16-1996, SEC.1.

IC 4-21.5-3.5-22 Ability to mediate subsequent disputes

Sec. 22. A person who has served as a mediator in a proceeding may act as a mediator in subsequent disputes between the parties, and the parties may provide for a review of the agreement with the mediator on a periodic basis. However, the mediator shall decline to act in any capacity, except as a mediator, unless the subsequent association is clearly distinct

from the mediation issues.

As added by P.L.16-1996, SEC.1.

IC 4-21.5-3.5-23 Conflicts of interest

Sec. 23. A mediator is required to use an effective system to identify potential conflict of interest at the time of appointment to a proceeding as a mediator. The mediator may not subsequently act as an investigator or make any recommendations regarding the mediated proceeding. A person may not serve as an administrative law judge in a subsequent hearing of a matter in which the person served as a mediator.

As added by P.L.16-1996, SEC.1.

IC 4-21.5-3.5-24 Rules of evidence do not apply

Sec. 24. With the exception of privileged communications, the rules of evidence do not apply to mediation, but factual information having a bearing on the question of damages should be supported by documentary evidence whenever possible.

As added by P.L.16-1996, SEC.1.

IC 4-21.5-3.5-25 Limitation of discovery

Sec. 25. Whenever possible, parties to a proceeding are encouraged to limit discovery to the development of information necessary to facilitate the mediation process. By agreement of the parties, or as ordered by the administrative law judge, discovery may be deferred during mediation.

As added by P.L.16-1996, SEC.1.

IC 4-21.5-3.5-26 Mediation regarded as settlement negotiation

Sec. 26. (a) Mediation shall be regarded as a settlement negotiation. Evidence of furnishing or offering or promising to accept a valuable consideration in compromising or attempting to compromise a claim that was disputed as to either validity or amount is not admissible in a proceeding to prove liability for or invalidity of the claim or its amount.

(b) Evidence of conduct or statements made in the course of mediation is not admissible. However, this subsection does not require the exclusion of evidence otherwise discoverable merely because it is presented in the course of the mediation process. This subsection does not require exclusion when the evidence is offered for another purpose, such as bias or prejudice of a witness or negating a contention of undue delay.

As added by P.L.16-1996, SEC.1.

IC 4-21.5-3.5-27 Confidential and privileged nature of mediation

Sec. 27. (a) A mediator is not subject to process requiring disclosure of any matter discussed during the mediation. Matters discussed during mediation are confidential and privileged.

(b) The confidentiality requirement of subsection (a) may not be waived by the parties.

(c) An objection to the obtaining of testimony or physical evidence from mediation may be made by any party or by the mediator.

Sec. 9. (a) If a petition for judicial review concerns a matter other than an assessment or determination of tax due or claimed to be due the state, and the law concerning the agency whose order is being reviewed does not preclude a stay of the order by the court, the person seeking the review may seek, by filing a verified petition, an order of the court staying the action of the agency pending decision by the court. The court may enter an order staying the agency order pending a final determination if:

- (1) the court finds that the petition for review and the petition for a stay order show a reasonable probability that the order or determination appealed from is invalid or illegal; and
- (2) a bond is filed that is conditioned upon the due prosecution of the proceeding for review and that the petitioner will pay all court costs and abide by the order of the agency if it is not set aside. The bond must be in the amount and with the surety approved by the court. However, the amount of the bond must be at least five hundred dollars (\$500).

(b) If a petition for review concerns a revocation or suspension of a license and the law governing the agency permits a staying of the action of the agency by court order pending judicial review, any stay ordered under subsection (a) is effective during the period of the review and any appeal from the review and until the review is finally determined, unless otherwise ordered by the court granting the stay. If the stay is granted as provided in this section and the determination of the agency is approved on final determination, the revocation or suspension of the license immediately becomes effective.

IC 4-21.5-5-10 Issues not raised before agency

Sec. 10. A person may obtain judicial review of an issue that was not raised before the agency, only to the extent that:

(1) the issue concerns whether a person who was required to be notified by this article of the commencement of a proceeding was notified in substantial compliance with this article; or

(2) the interests of justice would be served by judicial resolution of an issue arising from a change in controlling law occurring after the agency action.

As added by P.L.18-1986, SEC.1. Amended by P.L.35-1987, SEC.21.

IC 4-21.5-5-11 Fact issues confined to record

Sec. 11. Judicial review of disputed issues of fact must be confined to the agency record for the agency action supplemented by additional evidence taken under section 12 of this chapter. The court may not try the cause de novo or substitute its judgment for that of the agency.

As added by P.L.18-1986, SEC.1.

IC 4-21.5-5-12 Evidence; remand to agency for further factfinding

Sec. 12. (a) The court may receive evidence, in addition to that contained in the agency record for judicial review, only if it relates to the validity of the agency action at the time it was taken and is needed to decide disputed issues regarding one (1) or both of the following:

(1) Improper constitution as a decision-making body or grounds for disqualification of those taking the agency action.

(2) Unlawfulness of procedure or of decision-making process.

This subsection applies only if the additional evidence could not, by due diligence, have been discovered and raised in the administrative proceeding giving rise to a proceeding for judicial review.

(b) The court may remand a matter to the agency before final disposition of a petition for review with directions that the agency conduct further factfinding or that the agency prepare an adequate record, if:

(1) the agency failed to prepare or preserve an adequate record;

(2) the agency improperly excluded or omitted evidence from the record; or

(3) a relevant law changed after the agency action and the court determines that the new provision of law may control the outcome.

As added by P.L.18-1986, SEC.1.

IC 4-21.5-5-13 Transmittal of agency record; costs; corrections or additions

Sec. 13. (a) Within thirty (30) days after the filing of the petition, or within further time allowed by the court or by other law, the petitioner shall transmit to the court the original or a certified copy of the agency record for judicial review of the agency action, consisting of:

(1) any agency documents expressing the agency action;

(2) other documents identified by the agency as having been considered by it before its action and used as a basis for its action; and

(3) any other material described in this article as the agency record for the type of agency action at issue, subject to this section.

(b) An extension of time in which to file the record shall be granted by the court for good cause shown. Inability to obtain the record from the responsible agency within the time permitted by this section is good cause. Failure to file the record within the time permitted by this subsection, including any extension period ordered by the court, is cause for dismissal of the petition for review by the court, on its own motion, or on petition of any party of record to the proceeding.

(c) Upon a written request by the petitioner, the agency taking the action being reviewed shall prepare the agency record for the petitioner. If part of the record has been preserved without a transcript, the agency shall prepare a transcript for inclusion in the record transmitted to the court, except for portions that the parties to the judicial review proceeding stipulate to omit in accordance with subsection (e).

(d) Notwithstanding IC 5-14-3-8, the agency shall charge the petitioner with the reasonable cost of preparing any necessary copies and transcripts for transmittal to the court, unless a person files with the court, under oath and in writing, the statement described by IC 33-37-3-2.

(e) By stipulation of all parties to the review proceedings, the record may be shortened, summarized, or organized.

(f) The court may tax the cost of preparing transcripts and copies for the record:

- (1) against a party to the judicial review proceeding who unreasonably refuses to stipulate to shorten, summarize, or organize the record; or
- (2) in accordance with the rules governing civil actions in the courts or other law.

(g) Additions to the record concerning evidence received under section 12 of this chapter must be made as ordered by the court. The court may require or permit subsequent corrections or additions to the record.

As added by P.L.18-1986, SEC.1. Amended by P.L.11-1987, SEC.6; P.L.3-1989, SEC.24; P.L.98-2004, SEC.47.

IC 4-21.5-5-14 Burden of proof; standards of review

Sec. 14. (a) The burden of demonstrating the invalidity of agency action is on the party to the judicial review proceeding asserting invalidity.

(b) The validity of agency action shall be determined in accordance with the standards of review provided in this section, as applied to the agency action at the time it was taken.

(c) The court shall make findings of fact on each material issue on which the court's decision is based.

(d) The court shall grant relief under section 15 of this chapter only if it determines that a person seeking judicial relief has been prejudiced by an agency action that is:

- (1) arbitrary, capricious, an abuse of discretion, or otherwise not in accordance with law;
- (2) contrary to constitutional right, power, privilege, or immunity;
- (3) in excess of statutory jurisdiction, authority, or limitations, or short of statutory right;
- (4) without observance of procedure required by law; or
- (5) unsupported by substantial evidence.

- (1) an agency in its own name;
- (2) an agency in the name of the state;
- (3) the attorney general in the name of the attorney general; or
- (4) the attorney general in the name of the state at the request of an agency;

may apply for a court order in a circuit or superior court to enforce an order issued under this article by a verified petition for civil enforcement.

IC 4-21.5-6-2 Enforcement of subpoenas, discovery orders, and protective orders

Sec. 2. (a) This section applies only to the enforcement of a subpoena, discovery order, or protective order issued by an agency under this article.

(b) Any party to a proceeding before an agency who has obtained an order from an administrative law judge may apply for a court order in a circuit or superior court to enforce the subpoena or order issued by an agency by a verified petition for civil enforcement. (d) The action may not be commenced under this section if:

- (1) less than sixty (60) days has elapsed since the petitioner gave notice of the alleged violation and of the petitioner's intent to seek civil enforcement to the head of the agency concerned, to the attorney general, and to each alleged violator against whom the petitioner seeks civil enforcement;
- (2) the agency has filed and is diligently prosecuting a petition for civil enforcement of the same order against the same defendant; or
- (3) a petition for review of the same order has been filed and is pending in court.

(e) The petition under this section must name as defendants each alleged violator against whom the petitioner seeks civil enforcement.

(f) The agency whose order is sought to be enforced is not a party to an action under this section unless the agency moves to intervene. The court shall grant an agency's motion to intervene and shall allow the agency to intervene as a plaintiff or defendant.

(g) The agency whose order is sought to be enforced under this section may move to dismiss on the grounds that the petition fails to qualify under this section or that enforcement

would be contrary to the policy of the agency. The court shall grant the motion to dismiss unless the petitioner demonstrates that:

(1) the petition qualifies under this section; and

(2) the agency's failure to enforce its order is based on an exercise of discretion that is improper on one (1) or more of the grounds provided in IC 4-21.5-5-14.

(h) Except to the extent expressly authorized by law, a petition for civil enforcement filed under this section may not request, and the court may not grant, any monetary payment apart from taxable costs.

NOTICE OF LICENSE APPLICATION DENIAL

Whole Woman's Health Alliance
1812 Centre Creek Drive, Suite 205
Austin, Texas 78754

To Whom It May Concern:

The Commissioner of the Indiana State Department of Health (hereinafter referred to as "Commissioner"), pursuant to Ind. Code § 16-21-2-11, Ind. Code § 4-21.5-3-5, and 410 IAC 26, hereby issues this *Notice of License Application Denial* to Whole Woman's Health Alliance ("WWHA" or "Applicant").

On August 11, 2017, the Indiana State Department of Health (the "Department") received an *Application for License to Operate an Abortion Clinic* from WWHA. On September 21, 2017, the Department requested additional information based on discrepancies noted in WWHA's application. On October 6, 2017, the Department received a revised application from WWHA. After reviewing the revised application, the Department requested additional information to determine compliance with 410 IAC 26. In response to the Department's request to list all of the abortion and health care facilities currently operated by WWHA, its parent, affiliate, and subsidiary organizations, WWHA failed to disclose, concealed, or omitted information related to additional clinics.

Based upon the Department's review, the Commissioner finds WWHA failed to meet the requirement that the Applicant is of reputable and responsible character and the supporting documentation provided inaccurate statements or information. See 410 IAC 26-2-5. You are hereby notified that the Commissioner has **DENIED** the license application of WWHA dated August 11, 2017 (supplemented on October 6, 2017 and December 8, 2017).

A person may not provide abortion services unless the person holds a license issued by the Indiana State Department of Health. A person who knowingly or intentionally operates or advertises the operation of an unlicensed abortion clinic commits a Class A misdemeanor. Ind. Code § 16-21-2-10. Ind. Code § 16-21-2-2.5.

If WWHA wishes to seek administrative review of the *Notice of License Application Denial* pursuant to Indiana Code 4-21.5-3-5, it must file a petition for review within eighteen (18) days after this *Notice of Licensure Application Denial* is served. The petition for review and petition of stay of effectiveness must be postmarked no later than **January 23, 2018**.

*PETITION FOR REVIEW OF LICENSE APPLICATION DENIAL
BY INDIANA STATE DEPARTMENT OF HEALTH*

Applicant Information:

Whole Woman's Health Alliance
1812 Centre Creek Drive, Suite 205
Austin, Texas 78734

Representative's Name (Person Submitting the Appeal):

John H. Bucy, II
Bucy & Associates, PLLC
6633 Highway 290 East, Suite 104
Austin, Texas 78723
Telephone Number: (512) 731-2638

Background Information:

Whole Woman's Health Alliance (the "Applicant") filed an Application for License to Operate an Abortion Clinic on August 11, 2017. On October 6, 2017, the Applicant filed a revised application in response to additional information requested by the Indiana State Department of Health (the "Department").

By Notice of License Application Denial dated January 3, 2018, the Department denied the Application of Applicant (the "Notice").

Reason for Denial:

In paragraph 2 of the Notice, the Department determined:

"In response to the Department's request to list all of the abortion and health care facilities currently operated by WWHA, its parent, affiliate, and

subsidiary organizations, WWHA failed to disclose, concealed or omitted information related to additional clinics."

The Department relied on this determination to find that the Applicant **"...failed to meet the requirement that the Applicant is of reputable and responsible character and the supporting documentation provided inaccurate statements or information. See 410 IAC 26-2-5."**

Response of Applicant:

Factual Dispute: The factual dispute relates to Requests 1 and 2 submitted by the Department to the Applicant on October 6, 2017 and the responses submitted by the Applicant to the Department on December 8, 2017. For ease of reference, the requests and the responses of the Applicant follow:

1. Provide a complete ownership structure or description pertaining to the applicant, including, but not limited to, any individuals and/or any parent, affiliate or subsidiary organizations. Please list full legal names and addresses, and for entities, list the type of entity and the state of incorporation/organization.

Response: Whole Woman's Health Alliance ("WWHA") is a Texas nonprofit corporation. It does not have members. Management of the affairs of WWHA is vested in the Board of Directors. Since WWHA is a nonprofit corporation it does not have any owners.

WWHA operates a clinic in Austin, Texas. The address of the clinic is 8401 North IH 35, Suite 200, Austin, Texas 78753. It is licensed as an Abortion Facility by the Texas Department of State Health Services Regulatory Licensing Unit. Its license number is 140013.

WWHA has recently purchased a clinic in the State of Virginia. The clinic address is 2321 Commonwealth Drive, Charlottesville, Virginia, 22901. The license number is AF-0020.

WWHA has entered into a management agreement with Whole Woman's Health, LLC (the "Management Company"). The Management Company will provide certain designated management services to WWHA. The Management Company provides management services to numerous clinics across the United States. The Management Company is a Texas limited liability company.

Some of the Board Members of WWHA are affiliated directly or indirectly with the Management Company, but the majority of the Board Members are independent.

2. Provide a list of all the abortion and health care facilities currently operated by applicant, including its parent, affiliate or subsidiary organizations.

Response: Please refer to the answer to the first Question.

Arguments of Applicant (Factual Matters): The Applicant did not conceal or mislead the Department regarding the clinics operated by the Applicant, its parent, affiliate or subsidiary organizations. As stated in the above responses, the Applicant is a Texas nonprofit corporation. It does not have members. Management of the affairs of WWHA is vested in the Board of Directors. Nonprofit entities, including the Applicant, do not have shareholders or owners. The Applicant does not own shares, membership interests or any other type of ownership interest in any entity. Consequently, the Applicant does not have a parent or subsidiary organization.

The Applicant in its response disclosed all of the clinics that it operates, which are located in Texas and Virginia. It also disclosed that it had entered into a management agreement with Whole Woman's Health, LLC—an independent legal entity that is distinct from the Applicant—and that Whole Woman's Health, LLC provides "management services to numerous clinics across the U.S." Applicant's Responses of Dec. 8, 2017. The Applicant did not list the other clinics managed by Whole Woman's Health, LLC, because they are not operated by Whole Woman's Health Alliance, nor are they parent, affiliate, or subsidiary organizations. To the contrary, those other clinics are independent corporations that are not controlled by the Applicant, and the Applicant has no financial or other interest in those clinics.

Although not responsive to the Department's Requests, a list of the other clinics managed by Whole Woman's Health, LLC is provided in Exhibit "A", attached hereto and incorporated herein by reference.

The Department was not specific about its basis for denying the Applicant's Application, but it is possible that the Department considers Whole Woman's Health, LLC to be an affiliate of the Applicant.

The Indiana Code defines "affiliate" as "an entity that directly or indirectly controls, is controlled by, or is under common control with" another entity, where "[c]ontrol includes the power to select the corporation's board of directors." Ind. Code § 23-17-21-2; *accord* Ind. Code § 23-1-43-1. The Applicant does not control and is not controlled by any other entity. As a Texas nonprofit corporation, the Applicant has scrupulously maintained its independent status. While Whole Woman's Health, LLC provides certain management services to the Applicant pursuant to a contractual agreement, it does not control and is not controlled by the Applicant, nor are the two companies under common control by a third party. The other clinics managed by Whole Woman's Health, LLC are independent corporations that similarly do not control, are not controlled by, and are not subject to common control with the Applicant.

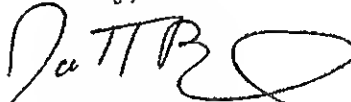

Arguments of Applicant (Legal Matters): The Applicant did not conceal or mislead the Department, nor provide inaccurate statements or information; consequently, a finding that Applicant "...failed to meet the requirement that the Applicant is of reputable and responsible character and the supporting documentation provided inaccurate statements or information" is not supported by the facts in this case.

The Applicant acted in good faith and was open and responsive. The Applicant also provided complete and accurate information to the Department. If the Department had questions concerning the Applicant's relationship to Whole Woman's Health, LLC and/or the other clinics managed by that company, it could have informed the Applicant, and the Applicant would have willingly provided additional information.

It is clear that the Applicant is of reputable and responsible character and if in the view of the Department the answer was not fully responsive it is a result of the Department's misunderstanding and not an attempt of the Applicant to mislead or conceal information.

If you have any questions feel free to contact me at the above-mentioned number.

Sincerely,

John H. Bucy, II

Counsel,

Thank you for the quick response. According to Admission Rule 3 the out of state counsel need an order from the "court" which they must then file. I will draft and have that sent out tomorrow.

Subject: RE: Whole Woman's Health Alliance (ACL-000132-18) Non-Party Requests for Production Phone Call Request

Good morning:

Sorry for the delay. Bart and I have been unable to meet and discuss a summary until just now. We're happy to meet tomorrow. Would a time between 1:30 and 3:30 work?

For each request to the Non Parties, we would like complete production of the requested items. In an effort to expeditiously resolve this without having to take the lengthy step of utilizing outside counsel, the ISDH is amenable to making some concessions. The ISDH is agreeable to modifying the requests as follows:

1. To satisfy the ISDH's requests of (1)(a), (1)(b), (1)(c), (1)(e), and (1)(g), we propose the Non Parties provide the Operating Agreements, Articles of Incorporation, and Member Lists (if any) for the Non Parties in effect from August 11, 2017 to January 3, 2018. The ISDH does not object to the Non Parties redacting information regarding how members are paid or other financial terms..
2. (1)(d): Any and all meeting minutes of the Non Parties' Boards of Directors regarding or mentioning Whole Woman's Health Alliance for the three-year period immediately preceding the application date (August 11, 2017). If there is not a Board of Directors for each entity, then any and all meeting minutes of its managers regarding or mentioning Whole Woman's Health Alliance for the three-year period immediately preceding the application date (August 11, 2017). This includes Whole Woman's Health Alliance under its current and former names during this time period.
3. (1)(h): All surveys, findings, notices, complaints, citations, warnings, and other documents alleging a violation of the rules, regulations, or laws under which any clinic which performs abortions, of any kind, and which is operated by one or more of the Non Parties that has been issued for the three-year period immediately preceding the application date (August 11, 2017).

Thank you for your consideration of the above modifications to the Non Party requests.

Good morning, Bart and Adrienne.

I am writing to postpone our call until tomorrow. We haven't yet received the summary of what you'd like to discuss with respect to the nonparty requests and a phone call would be most productive after we have had an opportunity to review and consider your outstanding discovery issues. Could you email us the summary today and speak with us tomorrow afternoon ET instead?

Thanks very much.
